

# Healthy Smile, Healthy You Enrollment Form

## PREGNANT?

Enroll in *Healthy Smile, Healthy You*™ today for a healthier pregnancy! Regular dental check ups are more important than ever, especially when you are pregnant. Preventing or treating gum disease can only help in promoting a healthier pregnancy for you and decrease the risk of a premature, low birth weight baby.

Once enrolled, you will be eligible for one additional cleaning (or periodontal maintenance procedure if you have a history of periodontal surgery) during your pregnancy — regardless of your plan's normal frequency limits.

## ENROLLING IS AS EASY AS IMPROVING YOUR SMILE.

Complete the form below, including your physician's name and signature.

Mail or fax the completed form to Delta Dental of Virginia:

Delta Dental of Virginia  
ATTN: Healthy Smile, Healthy You

You will be enrolled in Delta Dental of Virginia's *Healthy Smile, Healthy You* when your completed enrollment form is received by Delta Dental of Virginia. Questions? Call Benefit Services at 800.237.6060.
