

HRSA-ILA Pension Plan  
Authorization for YMCA deduction

I want to continue my commitment to better health and authorize the HRSA-ILA Pension Plan to deduct from my monthly pension benefit the amount necessary to pay my YMCA membership dues. Currently in 2010 the monthly amount is \$32 per month, but I understand that this amount may be changed when the YMCA renews their contract annually. This authorization will stay in effect until I terminate this authorization in writing.
